A festive Christmas-themed crossword puzzle. The background is a snowy night scene with houses and lights. In the top left, there's a wooden shelf with a red bow and a small Christmas tree. In the bottom right, a cartoon mouse in a Santa suit is holding a snowball. The crossword puzzle is made of white squares with red borders. It has five numbered starting points: 1 (horizontal, 6 squares), 2 (vertical, 4 squares), 3 (horizontal, 6 squares), 4 (horizontal, 6 squares), and 5 (horizontal, 6 squares). The letter 'r' is already filled in the first square of the horizontal word starting at 1.
